

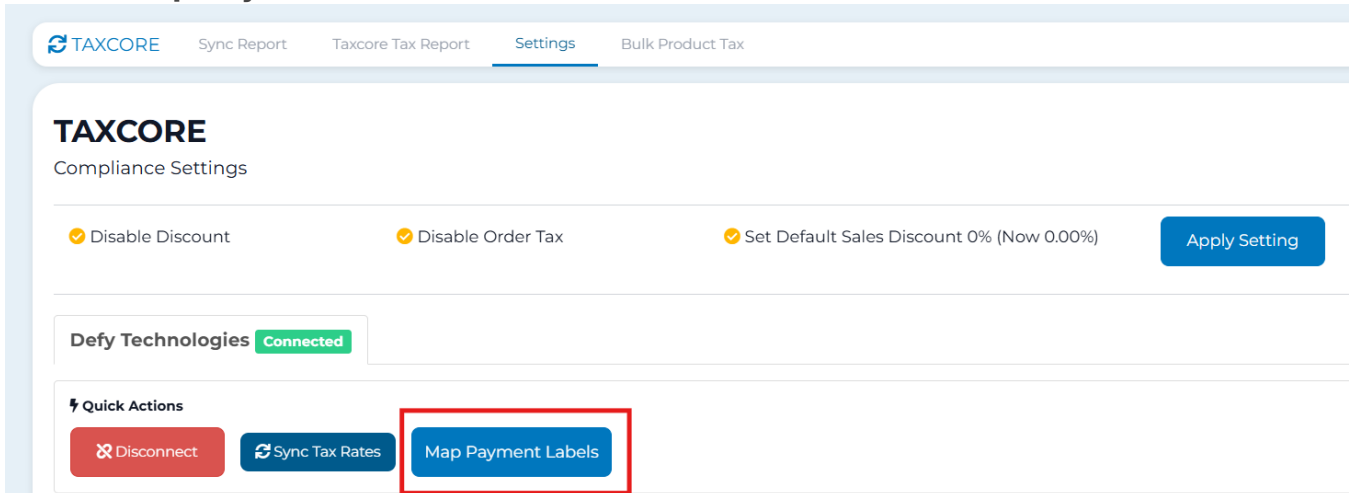

Mapping Payment Methods

Note: This only works if Taxcore is connected to the system.

1. Go to `taxcore/settings` (Taxcore->Settings).
2. Click on **Map Payment Labels**.

3. The system communicates with the VSDC API and retrieves the following payment methods:
 - Cash
 - Card
 - Check
 - Wire Transfer
 - Voucher
 - Mobile
 - Other
4. Payment methods are automatically mapped to the system. Manual addition is **not allowed** because the system strictly follows VSDC-based VMS requirements.
